EZ Frame - ADA COMPLIANT VANITY SYSTEM

Fabricators of Division 10 Products

DeSavino & Sons is committed to designing, manufacturing and supplying facilities with the highest quality ADA Vanity Systems that meet or exceed the guidelines set forth by the Americans with Disabilities Act and the requirements of National and State Building Codes for accessibility in public facilities.

It's Easy...

- ...to specify
- ...to order standard sizes or custom configurations
- ...to flat pack and ship anywhere in the world
- ...to assemble by general trades, millworkers or plumbers
- ...to keep sanitary

Construction:

Countertop

- Solid Surface
- Quartz Surfacing
- Granite

Frame

- Anodized Aluminum Alloy
- Leg Supports/Plumbing Screens (available to match any decor)
 - Laminate
 - HDPE (High Density Polyethylene)
 - Solid Surface

EZ Frame - ADA COMPLIANT VANITY SYSTEM

- Allows ultimate flexibility.
- Provides easy access to plumbing.
- **Complete Vanity Support System** — Addresses vanity applications facility-wide.
- **Modular Design** — Provides ability to change layout and/or location.
- **Saves Time** — Less time and resources required for assembly.
- Can be specified as a complete system.
- Ideal for renovation or new construction projects.
- Easy to install system that includes all support members and internal structures.
- Can be installed as a single unit or in multiple lavatory configurations.

It Saves Project Cost...

- ...by reducing installed costs
- ...by using economical yet durable materials
- ...by eliminating multiple source construction
- ...by selling directly to all commercial segments
- ...by reducing turn-around times

It Offers the Luxury and Value...

- ...of using Solid Surface, Granite or Quartz Surfacing Countertops
- ...of functional beauty and classic warm touch
- ...by giving accessibility to future plumbing repairs
